Our Story

Janet Z. Capua woke up one spring morning in 2008 and decided she was ready for a change. At 63 years old, and after 40 years as a dental hygienist, she decided to pursue her true passion in life...

She was known in the area for her food. Once, after hearing that 100 international student visitors were hungry, she cooked all night long, packed the car, and arrived in time to serve breakfast!

With the help of a few good friends, Janet launched her own home-based catering business, literally going door to door to sell sandwiches and salads. December 2008 would be the turning point, as she partnered with Samaritan House to open Z's Café in the Fort Worth Community Arts Center.

Janet would cook, son Carlo would run the business, and residents and caretakers from Samaritan House would join the team, learning food and service skills while getting back in the workforce. The response has been overwhelming.

Z's Café serves many area businesses, schools and nonprofits, often donating to fundraisers. Just ask us!

Z's Café is more than just a family-owned business with delicious, affordable, and home-cooked food. We treat everyone who walks through the door like family.

We now boast a full service catering business, doing boxed lunches to formal dinners, and everything in between. And don't forget to try our world-famous chicken salad!

Catering Menu

"The Z in Z's Cafe is for my father, John Zito who was my hero. My happiest moments as a kid were around the dinner table with my family, which I hope to both honor and recreate at Z's Cafe."
