"The 'Z' in Z's Café is for my father, John Zito, who was my hero. My happiest moments as a kid were around the dinner table with my family, which I hope to both honor and recreate at Z's Café"

Our Story

Janet Z. Capua woke up one spring morning in 2008 and decided she was ready for a change. At 63 years old, and after 40 years as a dental hygienist, she decided to pursue her true passion in life...

She was known in Fort Worth for her cooking. Once, after hearing that 100 international student visitors were hungry, she cooked all night long, packed the car, and arrived in time to serve breakfast!

With the help of a few good friends, Janet launched her own home-based catering business, literally going door to door to sell sandwiches and salads. December 2008 would be the turning point, as she partnered with Samaritan House to open Z's Café in the Fort Worth Community Arts Center.

Janet would cook, son Carlo would run the business, and residents and caretakers from Samaritan House would join the team, learning food and service skills while returning to the workforce with dignity. The response has been overwhelming.

We frequently serve area businesses, sports teams, schools and 100+ local nonprofits, often donating to fundraisers. Just ask us!

Z's Café is more than just a family-owned business with delicious, affordable, home-cooked food. We treat everyone who walks through the door like family.

We also boast a full service catering business, doing boxed lunches to formal dinners and everything in between. Come and visit our café or website...and don't forget to try our world-famous chicken salad.

Z's Café is a local, family-owned, and NCTRCA certified Woman-Owned Business.
